Mr. Mason's secretar called me and said Mr. Mason told her that in past years when we receive this letter, Mr. Warner sends out the reply (like the one dated 18 Feb 66) and then he (Mr. Mason) calls Department of Interior and our figures are incorporated in Interior's. Mr. Mason said Mr. Warner (or you) could call him if you wished on this.

Evidently, nothing written (other than the interim letter) goes. That is why we have no record. However, I think this year we should have a notation on the interim as to just what is done.
